## 第6問

次の文章は沖縄に留学中の Michelle が台風の際に感じたことについて述べたスピーチである。これを読んで、あとの問い（問 1～5）について最も適切なものを、それぞれ 1～4 の中から 1 つ選び番号で答えなさい。

How do you spend time when a typhoon comes? Typhoons often come to Okinawa. This July, we had a big one called \*Khanun. The wind of Khanun was so strong that the lights went out and water shut off in many areas. People who could not have lights or water had to spend a few days in such bad situations.

While the typhoon stayed in Okinawa, I was so bored at the beginning because the lights went out and I had nothing to do. It was uncomfortable for me without an air conditioner or a fan in the summer of Okinawa. I couldn't open the window because the wind was very strong. And my phone was almost dead. I could not come up with any good ideas to spend my day in a good way. Also, it was my first time to have the water shut off. No water means that I cannot take a bath nor use the washroom. It was worse than I imagined. I felt that I should use water more carefully.

When I was thinking about what to do in such a bad situation, I got a text message from one of my friends. In her text, she said "I heard that the lights went out around the area you live. Would you like to come to my place?" I answered "Yes, I'd love to."

I felt I went to heaven when I visited my friend's place. It was so comfortable to stay in a cool and brightening place with an air conditioner and lights. We played card games together, watched some movies, and ate noodles. While we were doing such things, we talked and laughed a lot. I felt the \*bond between my friend and I became deeper. Then, I \*realized that I really enjoyed the moment. Guess what? \*Unconsciously, I just found the best way to spend time on a day with a typhoon. What is your favorite way to spend time when a typhoon comes?

問 2 Why does Michelle want to know the best way to spend time on a day with a typhoon?

1. Because she always feels bored for daily lives.
2. Because she was bored without electric power.
3. Because she loves the hot weather in summer of Okinawa.
4. Because she already knows what makes her happy.

問 3 Why did the Michelle's friend text "Would you like to come to my place?"

1. Because she was worried about her friend's situation.
2. Because she was going to have a party.
3. Because she wanted to have someone to play games together.
4. Because she knew her friend's phone was going to be dead soon.

問 4 What is one thing that Michelle and her friend did NOT do?

1. They played card games.
2. They talked a lot.
3. They played video games.
4. They watched a couple of movies.

問 5 What do typhoons do?
